About GTPO

Green Trade Project Office

GREEN TRADE PROJECT OFFICE
MINISTRY OF ECONOMIC AFFAIRS

Taiwan Green Trade Project Office was founded in March 2011. Supervised by the Bureau of Foreign Trade, Ministry of Economic Affairs, GTPO is the primary think tank for Taiwan's green policy, technology and economy future. GTPO works with all Taiwan international corporations and SMEs that have green products, manufacturing, innovations and technologies.

For decades, Taiwan has been a major manufacturing and exporting country, providing the world with high quality environmental-friendly products. It is GTPO's mission to facilitate dialogues and collaborations relating to sustainability both domestically and worldwide through international conferences, trade fairs, and joint projects.
